## IDRAC BUSINESS SCHOOL THE SELECTIVE BUSINESS SCHOOL

Choosing IDRAC Business School means choosing a unique way of learning and of meeting future personal and professional challenges. Choosing IDRAC Business School means coming face to face with the realities of the business and professional worlds, enabling you to develop high-level professional skills, improve your soft skills and discover your ambitions. It means choosing academic excellence; ongoing educational innovation; cutting-edge research on creating and rethinking business models; a wide range of international career paths; great quality of life on our campuses; employment guidance, and preparation for work-study programmes.

Ensuring that our students become accomplished men and women who can take charge of their own future, and supporting them on their path to employment through a teaching approach based on encouragement - that is our commitment at IDRAC Business School.

Based in 8 French cities and international campuses, our school offers programmes that anticipate and meet the challenges of the world economy, modern society and generational changes. Our network of schools fosters constant interchanges between the academic, economic and international environments. IDRAC Business School is organized around campuses on a human scale, which offer a vibrant community lifestyle.
